The seventh Illinois Town and Country Art Show reflects continuing interest of Illinois residents in art and craft work.

Thirteen University of Illinois art jurists selected 301 pieces at 34 local shows for this exhibition. There are 258 different exhibitors from 46 widely scattered Illinois counties represented in the show. Jurymen for this exhibit were Professors Charles W. Sanders, Walter M. Johnson, and Louise Woodroffe.

We are proud to present the work of the amateur artists of Illinois. The response to the project is most gratifying. Many of the paintings are for sale at the prices indicated. Arrangements for purchase should be made with the artist.
